In consideration of the granting by the City of Lincoln to the undersigned of aircraft parking and airfield use privileges, undersigned agrees to all terms and conditions set out herein:

1. Permittee will abide by local airport rules and regulations. Copies are available at Airport Office.

2. Monthly rental is \$50.00. Payment is due and payable IN ADVANCE on the FIRST DAY of each month. Six month prepaid rate is \$47.50 a month; payment is due and payable IN ADVANCE on the FIRST DAY of each 6th month. One year prepaid rate is \$45.00 a month Payment is due and payable IN ADVANCE on the FIRST DAY of each year.

3. A delinquent charge of \$5.00 per month per tiedown will be assessed each month.

4. City of Lincoln is not responsible for loss or damage to aircraft or its contents.

5. Permittee hereby agrees to hold the City of Lincoln harmless from any and all liability or damages arising from or caused by Permittee's use of airport facilities or property. Permittee affirms that he is aware of the California Uniform Financial Responsibility Act.

6. The City of Lincoln has a lien on such aircraft for delinquent rental charges or other charges due the City of Lincoln for services rendered to said aircraft or use of airport facilities.
7. Permittee authorizes the City of Lincoln to relocate the aircraft subject to this agreement whenever deemed necessary by the City for the protection of said aircraft, protection of lives or other property, or to prevent interruption of airport operations.
8. Permittee MUST show proof of liability insurance.
9. Motor vehicles are permitted in tiedown area only with Airport Director's permission. Other parking is available on Flightline Drive.
10. This agreement may be terminated by the renter or the City upon 30 days written notice.
11. Permittee MUST notify airport office when vacating tiedown or be charge for the time vacancy was not reported.
12. Permittee may not dispose of any hazardous waste on airport property. An oil recovery tank is located next to the fuel facility for the convenient disposal of used oil only.
